

Experience the Allure of A Top Quality Fence...

Without the Maintenance.

Introducing
MoracoTM

THE UPSCALE FENCE SYSTEM WITH A REAL DIFFERENCE

Experience the Allure of *Monaco*[™]

Now there's a way to have the outstanding beauty and high-quality look of wood fencing without the need for time-consuming and costly maintenance. It's the exclusive new Monaco fence system from Filtrona Extrusion.

Monaco offers a wide range of features and benefits:

- Great beauty in a rich wood-like finish
- Exceptional workability characteristics of fine wood fencing
 - Cut it with a saw,
 - Use a router,
 - Nail it or use screws,
 - Custom design your own fence
- No need to periodically stain or seal it to maintain its pristine appearance
- 25-year warranty

Customize the design of the Monaco fence to suit your taste. This system has it all!

- Solid boards with full privacy
- Latticed tops
- Picket fence options
- Three standard colors
- Designer color series for added distinctiveness
- Wide variety of accessories, including swing gates and Monaco-clad, color-matched cantilevered slide gates.

Picket fence options
